

CITY'S PAY ROLL JUMPS \$4,764,125 IN FISCAL YEAR

Greatest Increases in Mayor's
Departments and Board
of Estimate.

'NO ATTACK ON MAYOR.

Cheap Laborers Lopped Off
and High Priced Secre-
taryships Created.

In a report to the Board of Esti-
mate on payroll disbursements of the
city departments, Comptroller Pren-
dergast shows that during the first
year of Mayor Mitchell's Administra-
tion \$104,965.09 was spent. This is
\$4,764,125 more than during the year
1913. The report further shows that
the increases in the departments di-

rectly under the control of Mayor
Mitchell were \$1,300,000, or about 22
per cent. of the entire increase.
The great increases were in the
departments of Charities and Health
and for what is known as Social Ser-
vice in the Board of Estimate. The
conclusion is that decreases were
made in some departments in order
that increases might be made in
others. It will be remembered that
several hundred low waged men were
unrecompensatedly fired from the De-
partment of Docks and Ferries. Com-
missioner Smith himself did not favor
the reduction. It was understood
that efficiency engineers went through
the various branches of the depart-
ment and showed where men could
be dispensed with. During the same
year that the big cut was made in the
Dock Department payroll a number
of high priced secretaryships and
other lucrative positions were created
in the Board of Estimate.

REPORT NOT AN ATTACK ON MITCHELL ADMINISTRATION.

Comptroller Prendergast's report
showing how the payrolls have grown
is not meant as an attack on the
Mitchell Administration. Mr. Prender-
gast is obliged by a resolution of the
Board of Estimate adopted Jan. 12,
1911, to prepare a statement comparing
payroll disbursements of the current
year with those of two preceding years.
The notable increases in the Mayor's
departments were in Fire, Police, Char-
ities and Health and the Board of Esti-
mate, of which he is the head. There

are decreases just as notable in the De-
partments of Water Supply, Bridges
and Docks.
Some of the conspicuous increases in
the Mayor's departments are: Commis-
sioner of Accounts, \$21,856; Bellevue
and allied hospitals, \$22,255; Depart-
ment of Charities, \$24,101; Board of
Estimate, \$19,525; Fire, \$21,146;
Health, \$57,132; Law, \$23,290; License,
\$14,015; Mayor's office, \$5,437; Bureau
of Weights and Measures, \$12,758;
Manhattan, Richmond and Brooklyn
Parks, \$161,536; Police, \$592,772; Street
Cleaning, \$25,019.

Decreases are given as follows:
Bridge Department, \$144,060; Board of
Assessors, \$14,975; Civil Service Com-
mission, \$6,254; Docks and Ferries,
\$193,586; Park Department, Queens,
\$16,104; Bronx, \$5,871; Taxes and As-
sessments, \$5,879; Tenement House
Department, \$31,867; Department of
Water Supply, \$322,969.

MOST OF THE BOROUGHS SHOW SALARY DECREASES.

Comptroller Prendergast's statement
shows that in his own department
there has been a salary decrease
amounting to \$2,087. In Borough
President Mathewson's office in the
Bronx a decrease of \$60,910; in the
office of Borough President Pounds
in Brooklyn a decrease of \$15,588, and
in the office of the late Borough Presi-
dent McCormack of Richmond \$102,-
604.

The Mayor's Board of Water Supply
Department shows a decrease of
\$258,502.

The report shows that Borough
President Marks of Manhattan spent
\$116,553 more in 1914 for salaries than
was spent in 1913.

The mandatory increases hit the
city hardest, showing that there will
be no limit to the money spent in this
manner unless there is a change in
the laws. For instance, the Board of
Education shows an increase of \$1,-
897,798; Board of Elections, \$327,001;
Public Service Commission, \$181,968.

CITY HALL CELLAR FIRE UNDER M'ANENY OFFICE

Blaze Near Oils Is Discovered by
Watchman Who Happens to
Be Passing.

Spontaneous combustion started a
fire in the cellar end of the City
Hall cellar last night about 8 o'clock.
Had it not been discovered by Thomas
McNamara, the watchman, making
his rounds, and had it extended
twelve feet from where it started to
a point where a lot of paint and oil
is stored, the blaze might have blown
up or destroyed the office of President
McAneny, directly overhead.

The fire started in a quantity of
oil rags painters who are finishing
work in the Mayor's office had
thrown beneath an old stairway in
an unused cellar room. McNamara
was driven out of the room by the
smoke when he opened the door, and
ran to the police station across the
corridor. A still alarm was sent in
and a single alarm of the Fire Engine
Company No. 32 on Beekman Street
hurried over and put out the fire by
gathering, skidding, and razing
and depositing them in an ash barrel.

SALUTE FLAG AT ALL TIMES.

Los Angeles Police Ordered to
Honor Colors Whenever Seen.

LOS ANGELES, Aug. 3.—Orders for
all patrolmen to salute the American
flag every time it passes them on the
street went into effect here to-day by
direction of Chief of Police C. E.
Snively.
A military salute takes but a second.
The order read, "and does not
detract from duty. It is a sign of re-
spect and appreciation by everyone who
witnesses the evidence of loyalty. At the
same time it will set an uplifting ex-
ample to 'young Americans.'"
